# Senior Class Officers

Left to Right: Amy Bartholomew, Jennifer Lowe, Sorell Richard, Muyly Ngov, Rebecca Fournier, and Grace Phelan

## Class of 2000.

Four years have never passed so quickly, nor etched themselves so memorably on our minds. We stepped into Fermi High School, some perhaps a little too cautiously, others maybe a little too confidently, and all unsure of exactly what lay ahead. Over the years each one of us made our mark, leaving our footprints in the classrooms, on the fields, and within each other.

Now, here we stand at the completion of our high school experience. We have grown together, and now will diverge into our individual endeavors. We each have changed from the person whom we entered as and now possess far more experiences. Use your past — mistakes and accomplishments — to guide you in your future undertakings. Abide by your heart in whatever you choose to do. Live each day to its fullest, but don't become too busy to look at the stars every so often. Above all, never be afraid to fail; it will only prevent your success. Our potential has been rising for four years. Now with graduation, it is being released. We have all the power and possibilities at our fingertips; don't let them escape untouched.

Sincerely,

Sorell Richard

As the first class to graduate in the twenty-first century, you will be forever remembered for your achievements in our classrooms, in school activities, and in athletic arenas. Your accomplishments were, in larger part, a direct result of the outstanding leadership provided by your class officers. However, it was the kindness, compassion, and concern for each other that have made this class special. This will no doubt serve as your legacy for future generations of students to emulate.

The faculty and administration are confident that you are prepared for the uncertainties and challenges that await you. It is our sincere hope that we have instilled in you a life long thirst for knowledge and a desire to make the world a better place in which to live.

As time passes and your memory begins to fade, "Traces" will serve as a vivid reminder of what your classmates looked like before the aging process set in and the activities that were of special significance to you. We hope by revisiting "Traces" you will have the opportunity to reflect on the wonderful years you enjoyed here at Enrico Fermi High School.

On behalf of the entire Fermi Family, I wish you an enjoyable, healthy, and successful future.

Sincerely,

Stephen W. Ross  
Principal

# Foreign Exchange Students

Dear Foreign Exchange Students,

Here we stand at the culmination of one of the most important years of our lives. For those of us who have spent all four years of our high school careers' at Fermi, this is the end of a long journey of growing up. For you foreign exchange students, this is the end of the most significant learning experience of your lives. You have spent a year completely immersed in the culture of us, "crazy Americans" and have lived, laughed and loved as Americans do. In the process of your learning here at Fermi, we have learned a tremendous amount from you as well. We hope you've enjoyed your experience here as a part of our class as much as we've enjoyed having you. We wish you the best of luck in your futures. Wherever life may take you, you'll remain forever in our hearts.

Sincerely,  
The Fermi Seniors & Faculty

Being an exchange student was a wonderful experience; a year full of joy and happiness. Words will never describe how thankful we are. When I'm home sick or feeling sad we always had support from our friends, teachers, and counselors. Thank you Fermi for this wonderful opportunity you gave us to learn more about your culture.

Every smile and word of comfort helped us achieve this great feeling of being a Fermi student. Thank you!!!

Cassia Costa

When I came to the States, in August 1999, I couldn't possibly imagine how my life would change in the next twelve months. I'm having such a good time, having wonderful experiences. And at the same time I learn about your country, you are learning about mine.

This really was the best year of my life so far and I'll never forget it, my friends, classmates, teammates... Thank you all for allowing me to share one year of my life with you, thanks to all the teachers, who helped me so much. I want to especially thank all the new friends I've made. I hope this friendship will last forever.

Cesar Pastor

# Yearbook Staff

Dear Class of 2000,

The moment we've all been waiting for has finally arrived...GRADUATION! Looking back on how we've all changed, the difference seems almost unbelievable. Although we've all grown up, we've done it together, which binds us together forever as Fermi's Class of 2000.

Our memories of Fermi will be forever filled with not only lessons learned in the classroom, but also with invaluable life experiences. Throughout these years, we've come to learn the joy of first loves, the pain of heartbreak, the endless laughter, and the unending comfort of lifelong friendships. No matter where each of our journeys' take us, our roots remain grounded in these halls.

Best of wishes to you all in your future endeavors.

Sincerely,

# DISCOVERY • MILLENNIUM • GOODBYE • WEATHER •

The year 2000 was greeted with celebrations across the globe, including a fantastic fireworks display at the Eiffel Tower and religious ceremonies in Jerusalem. Looking back on 1999, we see a year filled with hope for the future, but also a year plagued by war and natural disaster. The conflict in Serbia kept the world on the edge of its seat, while earthquakes, tornadoes and winter storms focused our attention on international relief efforts. In 1999-2000, we also said goodbye to some of the world's most beloved celebrities including John F. Kennedy Jr., Walter Payton and Charles Schulz.

## WEATHER

The century came to a close with an upsurge of natural disasters. Hurricane Floyd caused \$4.2 billion worth of damage on the East Coast while snowstorms crippled regions of the Northeast and Midwest. Internationally, earthquakes killed thousands in Turkey, Columbia and Taiwan.

## MILLENNIUM

While some stockpiled Y2K supplies and safeguarded their computers against the "millennium bug," others rang in the new century with fireworks, parties and religious celebrations. While merchandise branding the date 01.01.00 filled stores, millennium countdown clocks were seen everywhere from billboards to post offices.

## DISCOVERY

The Hubble Telescope, Earth's orbiting eye to the heavens, beamed back pictures of new planets and nebulas, while kinks in the NASA Mars Polar Lander mission delayed hopes of discovering more about the mysterious red planet.

## GOODBYE

As we said goodbye to the century, we also said goodbye to some of the world's most beloved celebrities. John F. Kennedy Jr. was killed in a private plane crash while Charles Schulz passed away on the night before his last "Peanuts" comic strip was to be published in Sunday papers around the world. Sports legends Walter Payton, Joe DiMaggio and Tom Landry also left us this year.

# MUSIC

Alternative band SMASHMOUTH releases their much anticipated sophomore album "Astro Lounge."

## BACKSTREET BOYS

The Backstreet Boys release their smash album "Millennium" and take home the 1999 American Music Award® for Favorite Pop/Rock Band/Duo/Group.

## JENNIFER LOPEZ

Latina actress and singer Jennifer Lopez debuts her pop album "On the 6" scoring a dance hit with "If You Had My Love."

## FAITH HILL/TIM MCGRAW

The country couple both receive nominations at the 1999 American Music Awards. Faith Hill's album "Breathe" debuts at #1 on the Billboard Top 200.

## RICKY MARTIN

"Livin' La Vida Loca" and "She's All I Ever Had" take Ricky's first English album multi-platinum.

## BRITNEY SPEARS

"Boy Bands" and Latin superstars lead the 1999-2000 music scene. 'N SYNC and Backstreet Boys keep fans screaming for their good looks and slick dance moves. Ex-Menudo vocalist Ricky Martin wows audiences with his first English album, and actress/singer Jennifer Lopez scores big with her own first album "On the 6." The biggest success story of the year, however, is former Mouseketeer Britney Spears' meteoric rise to fame via her debut LP "...Baby One More Time."

These cool cowgirls continue to enjoy the success of their breakthrough album "Wide Open Spaces."

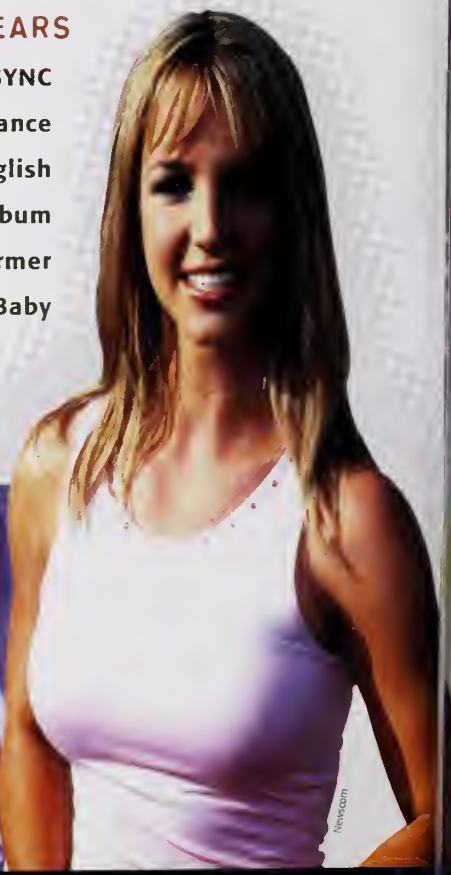

TLC returns to the hip-hop scene with "Fan Mail," featuring the singles "Come On Down" and "No Scrubs."

DIXIE CHICKS

TLC

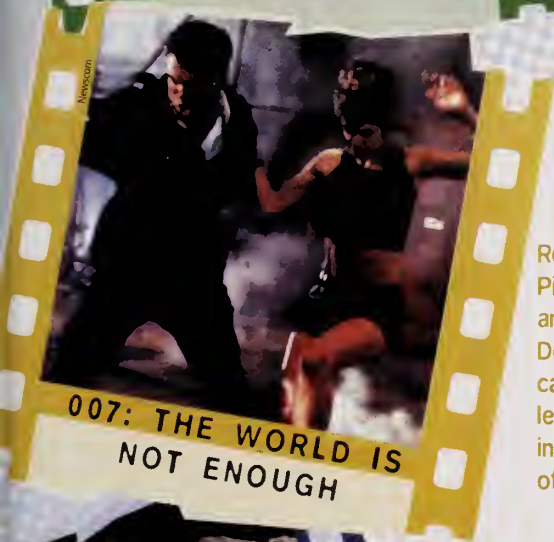

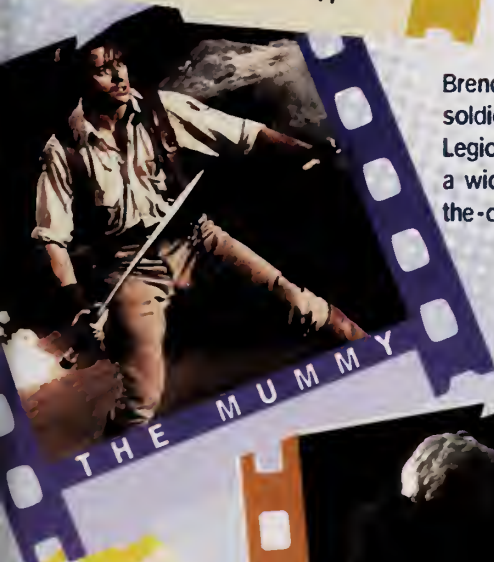

BIG DADDY

Comedian Adam Sandler tries his hand at parenting to impress Joey Lauren Adams. Co-stars include Cole and Dylan Sprouse and SNL buddy Rob Schneider.

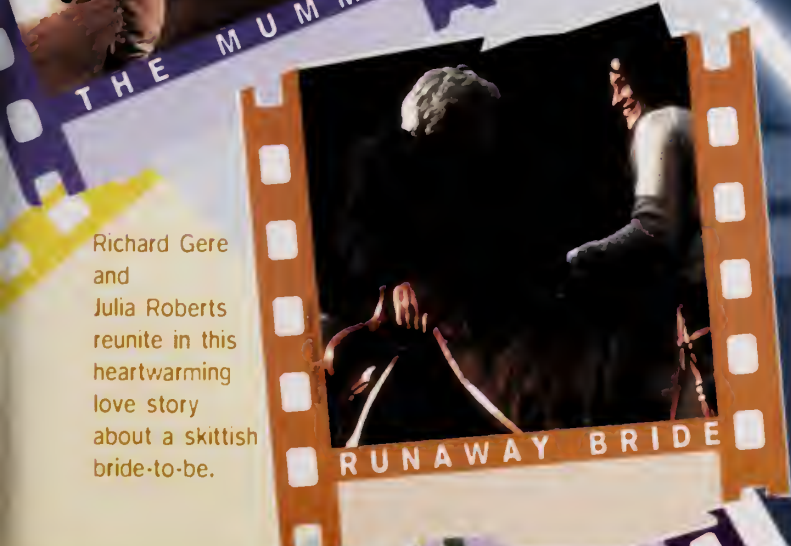

007: THE WORLD IS NOT ENOUGH

THE MUMMY

Brendan Fraser stars as a soldier in the Foreign Legion who helps unearth a wicked curse in turn-of-the-century Egypt.

Richard Gere and Julia Roberts reunite in this heartwarming love story about a skittish bride-to-be.

RUNAWAY BRIDE

THE MATRIX

Incredible special effects and kung-fu fighting make this sci-fi thriller an instant classic. Keanu Reeves trained for months to pull off moves like this.

George Lucas makes history again with the 1999 release of "Star Wars: Episode 1 - The Phantom Menace." Star Wars fans waited in line days before the premiere in hopes of being one of the first to see the prequel.

"10 Things I Hate About You," a remake of *The Taming of the Shrew*, introduces newcomer Julia Stiles as a high school student who presents a challenge to her suitor Heath Ledger.

Keanu Reeves stars as a 21st century hacker in "The Matrix." This ground-breaking science fiction film excites audiences with computer-generated effects and superbly choreographed fight scenes.

star wars

Natalie Portman, Liam Neeson, and Ewan McGregor star in the highly anticipated prequel to the original Star Wars trilogy.

### TIME OF YOUR LIFE

### WHO WANTS TO BE A MILLIONAIRE

Contestants, chosen by a call-in selection process, compete to win increasing amounts of money up to \$1,000,000. Regis Philbin coins the phrase of the year with "Is that your final answer?"

### FRIENDS

As the leadoff series on NBC's "Must See TV" lineup, "Friends" continues to enjoy ratings success after six seasons, reaching an audience of 23.5 million people each week.

### STARK RAVING MAD

Neil Patrick Harris (Doogie Howser, M.D.) stars as Henry McNeely, a young book editor who is thrust into the chaotic, and often hilarious, world of a bestselling horror writer.

### 7TH HEAVEN

Featuring cast members Jessica Biel and Barry Watson, the WB Network's wholesome "7th Heaven" continues to follow the trials and tribulations of the Camden family.

### R O S W E L L

Starring Jason Behr and Shiri Appleby, this sci-fi drama centers around a group of aliens, posing as teenagers, who struggle to conceal their identities while discovering what it means to be human.

The networks presented us with a dazzling variety of shows, many of them teen-oriented. The WB Network led the way with "Buffy the Vampire Slayer," "Dawson's Creek" and newcomers, "Roswell" and "Popular."

Jennifer Love Hewitt ventured out on her own, tackling the concrete jungle of New York City in "Time Of Your Life." Animated sitcom "The Simpsons" remained popular while cartoonist Matt Groening's newest series, "Futurama," gained a wider audience. Finally, talk show personality Regis Philbin crossed over to game shows asking the country, "Who Wants To Be A Millionaire?"
